

WINTER TUNE-UP SPECIAL

ADJUST your light so others may see your good works.
 SET your timing to be in the assembly at the proper time.
 ADJUST the brakes of your tongue. It's in a slippery place.
 TUNE-UP your heart and have the peace that passeth understanding.
 ALIGN your direction so you will be able to steer yourself up the straight and narrow road to eternal life.
 TUNE your mind to think on pure, holy and noble things.
 FOR A QUICK START and a sure victory, be ready at all times to do the Lord's will, then do it.
 ANTI-FREEZE your heart. Be fervent in spirit, serving God.
 LUBRICATE your spirit with the oil of gladness. Rejoice always, giving thanks for everything.
 RETIRE with full assurance of a safe trip to eternal life as a careful and obedient driver.

SHOUT

If you wake up in the morning
 And you hop out of bed,
 Brush your teeth, comb your hair,
 And can turn your head,
 Shout Hallelujah, Hallelujah, Hallelujah!

If you jump in your car
 And back out the door
 Take your kids to school and head to the store,
 Shout Hallelujah, Hallelujah, Hallelujah!

If you can read your Bible and sing a hymn,
 And bow your head in silence
 To pray to Him,
 Shout Hallelujah, Hallelujah, Hallelujah!

If you can fix dinner, give the kids a bath,
 If you can read a good book
 And cry or laugh,
 Shout Hallelujah, Hallelujah, Hallelujah!

'Cause the day will come and soon enough
 When these things will end,
 And we can't do that stuff.
 But until that day, we will shout and say,
 Shout Hallelujah, Hallelujah, Hallelujah!

How Did They Know?

An amazing testimony to the Bible's inspiration are the abundance of pre-scientific statements found in the Bible. Sometimes these are referred to as scientific foreknowledge. Job made two such statements in Job 26. He wrote, "He [God] hangs the earth on nothing: (26:7). He later recorded, "He drew a circular horizon on the face of the waters" (26:10; compare Isaiah 40:22) "It is He who sits above the circle of the earth." Both remarkable statements were made before science "discovered" such truths. In the ancient world, how could Job know of the rotundity of the earth, or of its suspension in space? (Job is thought to be the oldest OT book by many scholars). There is but one answer! The true Author of the Bible is God who inspired these men to write these words!

HOW'S YOUR ACCOUNT?

If you had a bank that credited your account each morning with \$86,400—that carried over no balance from day to day—and allowed you to keep no cash in your account . . .

. . . and every evening canceled whatever part of the amount you had failed to use during the day—what would you do?

You'd draw out every cent, of course!

Well, you do have such a bank—it's name is "time."

Every morning it credits you with 86,400 seconds . . .

Every night it rules off as lost, whatever of this you have failed to invest to good purposes.

It carries over no balances . . . It allows no overdrafts.

Each day it opens a new account for you . . . Each night it burns the records of the day.

If you fail to use the day's deposit, the loss is yours. There is no going back.

There is no drawing against tomorrow. You must live in the present—on today's deposit. Live every minute for God.
