"Come now, and let us reason together..." - Isaiah 1:18

At The Foot Of The Cross

By Steve Higginbotham, via *MercEmail Devotional Articles*

To see, think, act, and feel as God does is the daily challenge of Christianity. We have a difficult time seeing things as God sees them, thinking as God thinks, acting as he would act, and feeling the same way God feels. You see, our perception is often skewed and needs adjustment. But how do we make those adjustments?

Go to the foot of the cross. At the foot of the cross, we all can clearly see:

- The enormity of sin.
- God's hatred for sin.
- God's love for the sinner.
- The depravity of man.
- The redemption of man.

I believe it would do us well to periodically remind ourselves of these truths that are seen at the foot of the cross. If we could only learn to hate sin as much as God does and understand its enormous consequences, I'm convinced we would live holier lives. Also, if we understood just how much God loves us in spite of ourselves. I'm also convinced we will be compelled to requite that love.

At the foot of the cross, it's easy to see as God sees. So maybe that's where we need to spend some time. Give it some thought.

**Come to the meeting and spend some time
at the foot of the cross!**

Why People Go To Church

- Some go to church to laugh and talk.
- Some go there to smirk and balk.
- Some go there to meet a friend.
- Some go with time to spend.
- Some go there to meet a bride.
- Some go there a fault to hide.
- Some go there for speculation.
- Some go there for observation.
- Some go there to doze and nod.
- The wise go there to worship God.

Are You Average?

The difference between average and top people can be explained in three words: *and then some.*

The top people do what is expected of them, *and then some.* They are thoughtful of others, they are considerate and kind, *and then some.* They meet their responsibilities and obligations fairly and squarely, *and then some.* They are good friends to their friends and can be counted on in an emergency, *and then some.*
