**Gospel Meeting – WHY?**

- We Need To Hear The Gospel. Every single individual desperately needs to hear the saving Gospel of Christ. Our Lord charged us with making certain that ALL hear the truth in the Great Commission (Matthew 28:18-20; Mark 16:15).
- We Are Privileged To Spread The Powerful, Simple, Saving Truth. Tragically, today there is much confusion in the religious world. Series of Gospel messages afford us the opportunity to call all men to CHRIST, pleading for a return to New Testament Christianity.
- We Are Encouraged, Edified, Strengthened In The Faith. Faithful followers of Christ delight to hear again and again the thrilling truths of our Saviour. It is reassuring to KNOW we are walking daily toward heaven.
- We Fulfill Our God-Given Responsibility of preaching the gospel, teaching the truth every way possible, inviting our friends, showing others that our top priority is serving our Lord and Master.

**On Growing Old**

I choose to grow old proudly and triumphantly. Not old and worn, weak and weary - not old like a rotten apple, shriveled and tasteless - but old like cheese ripened to exquisite sharpness.

Not old like an old calendar, out of date and useless - but like an old painting, its beauty bringing new pleasure with each new viewing.

Not old like an outdated newspaper now lining the bird cage - but old like the Bible whose truths still speak to those who will hear.

Not old like an old magazine tossed into the rubbish - but old like an old valentine, its message pure and sweet though the paper has grown yellow and brittle.

Like the last delicious bite of butter-brickle ice cream from the bottom of the dish - held for a moment on the tongue and savored before it passes to its eternity.

Let me savor the words and all they mean when I say, "I HAVE GROWN OLD!"

**The Bible**

- ... is God's own letter to man.
- ... is the source of our information concerning eternal life.
- ... is our guide for daily living.
- ... is the final word in matters of religion.
- ... tells of the truth which will set us free from sin.
- ... gives us strength and comfort.
- ... tells us how to live happily.
- ... is the center of our education.

With such a book as this available to us, we certainly need to be diligent to know its contents. **Are you studying the Bible regularly.**
