

ONE WAY TO GOD

We have forever had those among us who say there is more than one way to heaven. They are all about us today. All these different plans and yet they lead us to heaven? The sectarians have always preached that one way is just as good as another. But it does not stop with them nowadays. We have supposed members of the church of Christ teaching that there are saved people in denominations. I wonder why this crowd stays with the church of Christ? Why don't they leave the church of Christ and go join a denominational body? Why bother the body of Christ? Why call themselves members of the church of Christ?

The true church of Christ follows the Bible and Bible only (Matt. 16:19; 2 Tim. 3:16-17). The true church of Christ preaches the Bible on salvation being in the church of Christ alone. Not all members of the church of Christ are going to be saved. But those saved will be in the church for which Jesus died. There is not a single saved person on earth outside the church of Christ. We are not rude when we teach this. If so, then God is rude for He gave us the Word and it teaches this.

THE CURE FOR ALL ILLS

You may have the best of doctors
Who can treat the best of men,
But there's an ill he cannot cure
It's the ravages of sin.

For sickness and diseases
Can take a mighty toll,
But their dark and gloomy fingers
Cannot reach or touch the soul.

But sin, with its ugly nature
Harms body, mind, and spirit,
And no man can cut its cord;
Thus we should always fear it.

Now, there is a Great Physician
Whose prescription fits the bill.
The only thing that rids all sin
Is a dose of the Lord's Gos-pill!
